

Dear SMC 2020 Attendee,

Thank you for being part of our 2020 SMC virtual conference. Now that the live event has concluded, we are moving to the next phase of the virtual event where the content is available on-demand for your viewing. As a registrant, you will be able to login and view sessions at your convenience. The content will be available until November 15, 2020.

Here are some brief instructions on how to participate in the on-demand portion of the program:

Four Easy Steps to Accessing the Content:

1. Go to the SMC website at SMC2020.org where you will find the SMC 2020 Conference On-Demand Sessions.
2. Click on the session you wish to visit.
3. You will be prompted to login using the same email address that you used when you registered for the event.
4. You will be able to easily move back and forth between the program and sessions as the system will remember the email ID.

Communication with Authors:

If you have questions for the presenting authors, you will be able to email them using the system. Each session will have an Q&A widget/box. Create your message in the box and send. The email will be automatically forwarded to the author of that presentation.

Questions:

If you have questions, please email Mark Pilkington at M.pilkington@ieee.org.

We want to thank you for your participation in SMC 2020 event and in keeping our SMC community vibrant and active in 2020.

Sincerely,
SMC 2020 Organizing Committee
